**2024 Recital Costume Checklist**  
**Tap Foundations - Saturday 9:30am**  
**Jazz & Lyrical Foundations - Saturday 10am**

Please use this checklist to help you as you pack your belongings for dress rehearsal and recital.

**Costume & Accessories (received from us):**

- \* black cherry long sleeve fringe dress
- \* rhinestone ponytail cuff

**Tights:** light suntan footed

**Shoes Needed:**

- \* black jazz
- \* black tap

**HAIR & MAKE-UP - ponytail**

The amount of make-up is your choice, but a little eye make-up and blush as well as lipstick goes a long way and helps the audience see your dancer's face.

**Other Notes:**

- If the costume itches your dancer, an option is to purchase a skin tone leotard from a dancewear store to wear underneath.
- We **highly recommend** that all dancers with costume changes wear a skin tone leotard. Male as well as female guardians may be going into the dressing rooms.
- If your costume appears a little wrinkled, we recommend hanging it in your bathroom while you shower (not IN the shower though) so that the steam can do its magic.
- Costumes with skirts or tutus should be hung upside down (this helps to puff out the skirt/tutu).
- **DO NOT WASH** your costume
- **NO jewelry** should be worn on stage. Please leave all valuable items at home.
- **No nail polish!**
- Please remember to bring hair spray and extra bobby pins.
